## Kit & Uniform Policy

### Training Kits

TTFA have training kits, blue or black depending upon the age group that consist of:

- socks
- shorts
- t-shirt
- 1/4 zip jacket and/or coat

The items display the TTFA logo on the front and the player's initials. Kits are not compulsory – children are able to train in any suitable sportswear. If a parent chooses to purchase a kit, this is ordered through the club and the cost is paid into the club bank account. This kit becomes the property of the child and their parent. It is the parents' responsibility to provide suitable footwear and shin pads. A kit order form (as shown below) is e mailed to parents as part of the Welcome Pack email.

## Match Day Kits

Once players enter Y2 at school, they are old enough to be entered into the league and play each weekend of the season for a TTFA team. Match kits for TTFA consist of:

- a red and white vertical striped top
- blue shorts and
- red & white socks.

Match kits are purchased via club fundraising. This may be in the form of a sponsorship deal with a local company or a fundraising event. All funds for the kit must be paid into the club bank account and the club will order the required kit size. All monies raised via fundraising events or sponsorship belong, in full, to the team that raised them.

When new match kits are provided to a team, parents/guardians will be asked to sign to confirm receipt of the numbered kit. The match day kits remain the property of the club and if lost or damaged beyond reasonable wear and tear, parents will be expected to fund a replacement. Should a player leave the club, their match kit must be returned in full within 7 days of their final match or training session.

Enough match kits will be purchased for a team plus three substitute players. If a new player joins the team during the season, the parents may be required to purchase a match kit if all existing kits are in use.

## Coaches' Kits

When a coach or volunteer takes on a role with the club, they will be provided with official TTFA kit that must be worn at all training and match events.

The kit will usually consist of :

- technical pants
- t-shirt
- 1/4 zip jacket and/or coat
- hat

The items display the TTFA logo on the front .The coaches' kits remain the property of the club and if lost or damaged beyond reasonable wear and tear, coaches will be expected to
